

Dear Friends and Prayer Partners,

Greetings and salutations from the "Land of Roses". We are officially into fall. School is back in session and Sofia feels like Sofia again. During the summer, and especially during August, the city feels empty with many people out of town on vacation. There is a dramatic shift every fall once school starts up, but that also means that there are more people in the parks and on the streets and so more opportunities to share the Gospel.

Peter, Yulia, Mais and Vladimir

Recently, Kiril and I went through a large park with Gospel tracts and had some great opportunities to share the Gospel with people in the park. We praise the Lord for Kiril. He is such a blessing and encouragement. Please continue to pray for him. He will fill in again while we are in Scotland (more on that later). He is a blessing.

Secondly, I wanted to give an update on the "Salvation" list in the prayer letter. I try to keep this list up to date with people that we have regular contact with. Regarding Kenneth, Irina, and their daughter Zoya, we have not seen them in quite some time. Grace has reached out to Irina several times, but there has been no response. Kenneth has also disappeared from our fellowship and broken contact. He may have moved from Bulgaria, as he had been desiring to do so for quite some time. We continue to pray for them, but at this point, we have lost contact.

Another name is Simeon. He is a friend of our landlord, Peter. He had expressed some interest a while back and had talked about visiting the church. I have seen him a couple of times since then, but it has now been at least 6 months since I have had any contact with him.

Continue to pray for Vladimir, the Bulgarian man we met in Alaska. He should be back in Bulgaria now, and I am currently trying to organize a meeting with him. Hopefully, I will be able to share more next month.

Lastly, please pray for the Gospel conference in Forfar, Scotland. We are flying to Edinburgh on 10/12 and the conference begins on Sunday, 10/13 and runs through Wednesday, 10/16. Please pray for many Bulgarians to attend the meetings. We have had one round of advertising on Facebook already and will launch another ad this coming week. Pray for open and receptive hearts. Many of us know of the great Hebrides awakening in 1949. We are praying that in 2024 we will see an awakening amongst the Bulgarian expats living in Scotland that will lead to an awakening right here on Bulgari-

In Christ,
Jeff and Grace Shergalis
