

Dear Praying Friends,

May 2023

Here at the camp the trees are budding, the flowers are blooming and all the snow is in our rearview mirror (we **hope**.) Water pipes have been reconnected since being winterized in the fall. The summer staff will arrive in just a few weeks to go through training.

This means it's time for spring cleaning. Each year in preparation for the start of a new season, there is a long list of tasks to be accomplished. In addition to processing the incoming registrations, every square inch of every building has to be cleaned, and fresh mulch has to be laid in all the flower beds. All 30+ boats have to undergo an inspection for another year of enjoyment on the lake, and each piece of mechanical equipment has to receive the proper maintenance. A litany of safety inspections must be completed to include sanitation, water sampling, and fire prevention. The sidewalks have to be power washed, new games and activities have to be built, and new buildings are often added. The grass needs to be mowed, and the lake needs to be treated. Over 50 bicycles will be serviced, and a constant flow of delivery trucks will be hauling countless loads of supplies to the camp property.

Truth be told, it is not uncommon to START the camp season completely exhausted, but it is all worth it when the Spirit of God sweeps through in a service, and we witness the altars being flooded after the preaching of God's Word. It is humbling to be a part of seeing thousands of decisions made for Christ in just a few short months.

God has answered our prayers and blessed us with a wonderful staff this summer. We praise the Lord for many new churches that will be attending as well. With the current registrations, it appears this summer we will have the highest attendance ever, but all this is in vain unless the Spirit of God meets with us. We anticipate what the Lord will do and are excited to share that with you in letters to come.

Included below is a list of the staff and speakers that will be serving this summer. Please keep us in your prayers.

In Christ,  
Bro. Todd Oprzedek  
Camp Director
