Dear Praying Friends,

For this monthly update, we would like to present the Daniel class which meets every Sunday afternoon around 5 pm. This class consists of young people between the age of twelve and twenty who are serious about their walk with the Lord. Yes, these young disciples are a work in progress; they do have room to grow and to mature. However, we are thankful for their faithfulness to the Lord and we hope that you will pray with us, as they are seeking to fulfill God's will for their lives.

Ministry Opportunities for our young people

Speaking of ministry, Victory Baptist Church presents various opportunities for young people to get involved in serving others during our weekly services. We have some of the young men stand as security guards during the services; in the meantime there are also a several young ladies who help with the nursery. We are thankful that several of our young people are musical and are using their talents to worship the Lord in playing their instruments for our small orchestra. It's always a blessing to see our young people worship the Lord through singing special numbers, which also involves hours of practice. Every week, there is a number of young people who get involved with going out door-to-door to be a witness and also help with Saturday visitation. Amen!

Teens are taught essentials for the Christian life

During the Daniel class on Sunday evenings, we get to address current issues and helpful topics such as discipleship, worldliness, authority, friendships, purity, and family relationships. Pray for protection and commitment for our young people who are preparing to be disciples as well as fruitful servants of the Lord. The Devil fights so hard especially during these pivotal years to get young people to be enamored with the world and step away from God's safety zone of the church. Sadly, there are some who have removed themselves and have fallen prey to the devil. We do covet your prayers for our core of young people that they would stand strong for God.
