Missionaries to the Philippines

February 4, 2024

Dear Partners in the Ministry,

Greetings in the precious name of our Savior Jesus Christ!

I apologize for not making my report early this year. We had an emergency situation. We rushed my father-in-law in the hospital last December 29, and he was there for 19 days. Two days after being discharged from the hospital, the Lord took him.

I would like to give you a progress report of what happened these past few months in the mission field. The fence wall at the back of our house was finished. The repainting and repair of the chapel was also completed. We also added additional restrooms for the church. However, we encountered some delays in the land title for the new church we planted and we are still processing the purchase of the lot. The Lord also opened doors for me to preach the Gospel in different occasions. I was able to preach twice in prison, in a senior high school, and in a college. I was able to start teaching young people in our church expository preaching. We were also able to give gifts to all children attending our kids ministry. The youth group of the church has started its plan to hold fellowship twice a month.

With all these ministry opportunities, please pray that the Lord will save people. We also pray that the church will grow deeper in applying the Gospel through their love for each other and through their testimonies outside the church as they share the good news to others.

God bless everyone and thank you for partnering with us.

For the God's glory,

Lee Andrew
