A ministry of Northwest Bible Baptist Church in Elgin, IL (Dr. Keith Gomez, Pastor)

February 2022

Dear Praying Friends,

We are happy to report that our winter travels have been going well as we present the camp ministry in different churches. Recently, we have been in Indiana, Iowa, Wisconsin, and several churches in Illinois. We are so thankful for safety on the road and no vehicle problems. Many new churches are excited to join us this summer, people are signing up to help us on staff, and two new churches started supporting us.

On January 2, Northwest Bible Baptist Church held its annual budget meeting. The church paid off the remaining mortgage on the camp, so we are completely debt-free. Praise the Lord! This will allow us to focus our attention, moving forward, on new building projects.

We have posted the summer schedule on our website (kyteriver.com). Please keep our speakers in your prayers. We desire for God to use them mightily. Please also pray for tender hearts so the messages will be well received, and good decisions will be made for Christ. We anticipate what God will do this summer; thank you for your faithful support.

In Christ,

Todd and Rebekah Oprzedek
