MISSIONARIES TO SOUTH SUDAN
CURRENTLY SERVING IN ADJUMANI, UG

Dear Praying Friends,

January & February 2024 Update

Greetings from Uganda! Our church set high goals to strive to “LET GOD DO MORE IN 2024!” We want to be willing vessels for His work. Many of our members set personal goals to achieve, as they strive to witness to their friends and family and pass out Gospel tracts wherever they go.

January Highlights:

1. Survey Trip to South Sudan: Towards the beginning of January, James embarked on a 10-day survey trip to South Sudan. He explored a new location to considering for future missions work. Please continue to pray for wisdom concerning our ministry opportunities in South Sudan. The need for the Gospel is great in every area we have seen so far!

2. Youth Camp: While James was away, Bro. Vukoni took our teenagers from Central Baptist Church to a youth camp. They enjoyed participating in the competitions and hearing the preaching challenges. We enjoyed having the group over to our house after James’s return, so we could hear how the Lord had dealt with them, and to pray for the spiritual decisions they had made.

3. Father/Son Campout: At the end of January, just before school holidays ended, our church men went on a memorable father/son campout in a mountain village. They hiked, explored caves, and spent quality time appreciating God’s creation.

February Highlights:

4. Schools Resumed: Schools started back in February, and we sent four of our young people down to Bible college in Kampala. Please pray for them as they adjust to college life, study diligently, and grow in their faith.

5. Family: We welcomed James’s brother, Jeremy, and his sister, Ruth. They were a tremendous encouragement to us. During their stay, they actively participated in ministry activities, including teaching Sunday school classes, leading the teen program, and preaching.

6. Church Work Day: Jeremy and Ruth were also here during a church work day. Several youths and some men from church came out to assist in fixing up the playground equipment and doing landscaping touch-ups on the property.

Upcoming Events: As we head into March, we have a busy stretch with a two week Bible Institute held by Blind Faith Ministries. The 10 in-class days consist of three 3-hour classes covering different practical Bible topics. Although each class is taught by a different Preacher, this is a heavy class load for both the lecturers and the students. Pray for effective teaching and learning experience.

We are also looking forward to another Spring Church-Growth Program in March-April! Pray for the Gospel to go forth!
