- Elin Pelin outreach

Dear Friends and Prayer Partners,

Firstly, let me begin by saying a big thank you to all of you who have been praying for us. Thank you especially for praying about a new meeting place in Elin Pelin. The Lord, who is ever faithful and true, answered our prayers and provided us with a new meeting location. There is another storefront just down the street from where we are currently meeting that has had a for rent sign in the window for a little while, so we decided to call and see about it. I met with the owner and after chatting a bit she said, "I have another location that I think would be even better for you. The current rent contract just ended yesterday and I should be receiving the keys back later today. Why don't you come tomorrow to look at it." We agreed and so the next day took a look and decided to go ahead and sign a contract for the place. It is not quite as centrally located as the previous location, but it is quite a bit nicer and the rent is about \$100/month cheaper. We will be able to start meeting there in the month of April. For now we are working on printing new signs and flyers to let people know about the new location. Please continue to pray for this outreach and that the Lord would reap a great harvest in this town.

In other news, we enjoyed a wonderful couple of weeks with Larry and Cheryl Ingalls, very dear friends of ours who are part of the Baptist Couriers for Christ ministry. They decided to come and spend 2 weeks with us to be a help and encouragement, and they definitely more than accomplished those goals. We were able to go out and do some mailbox literature distribution together, as well as take a short trip to another part of the country to spend a little time just fellowshiping together. We really were blessed and encouraged by the visit and I even considered hiding their passports so they wouldn't be able to leave, but in the end we reluctantly had to say goodbye.

Lastly and in connection with our short trip into the central part of the country, we would like to ask you to pray for the Lord to raise up more laborers to work in His harvest field here in Bulgaria. As we drove from our home in Sofia to the town of Gabrovo, we passed through several large towns and villages, filled with needy souls, and I thought to myself, "Who is going to preach to them?" We don't know of any Bible preaching work going on in those areas. The need is so great and the laborers so few. What about you?
