

# THE MICKEYS

Robert Jr. Wendy

Dear Praying Friends,

Sept-Oct 22

## KENYA ELECTION

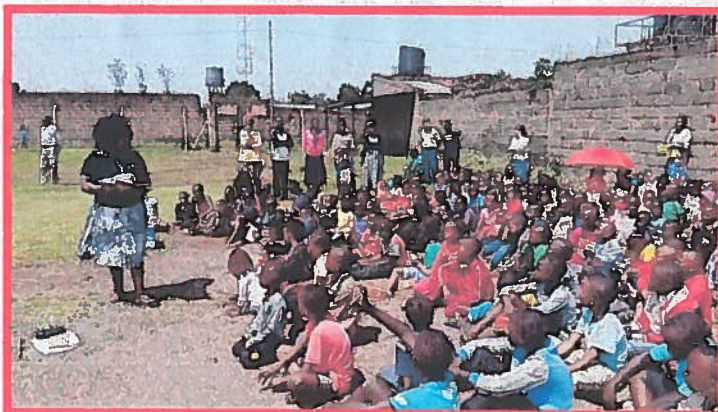

Though hotly debated and protracted beyond a reasonable period, we are thankful that the Kenya elections were relatively peaceful. There were claims and counterclaims of rigging and corruption. It seems at this time, although the winning candidate won with just a small percentage, the country has accepted the outcome and is ready to get on with their lives.

## SWAHILI BIBLE TRANSLATION

The translation of the books of John and Romans has been completed. We are now in the process of doing the final editing, typesetting, and preparation for printing. We have planned a dedication service for the 22nd of January and a week of teaching. Brother Stephen Zeinner and his team from Global Bible Translators that have been assisting us will also be present for the dedication.

## BIBLE CLUBS

One of our ministries we do not mention very often is our bible clubs. For many years we have had eight bible clubs that meet on Saturday mornings in various parts of our city. We have seen salvation decisions and people added to the church because of this ministry. Last Saturday, we began our ninth bible club and saw 209 children attend! We plan to add three more bible clubs before the end of the year. In total, we have well over 1000 in attendance at these clubs. Seeing our church people develop a burden to go weekly into their communities to reach these children is exciting.

His for Kenya

And the Regions Beyond,

Robert and Wendy
