Dear praying friends:

We as fellow believers need to stand fast in the word of God. We need to exhort one another to good works. The world needs to see that churches are still doing their best to reach lost souls here and around the world.

As for me, as long as our Heavenly Father gives us the strength and ability, we will continue to travel and preach. I am so happy to report that my health, after the hiatal surgery is growing stronger and I have been able to do mission conferences and fill pulpit in churches.

We pretty much took the summer off, except for a couple of Sundays when I was able to teach Sunday school.

In August I filled the pulpit in LaGrange, IN, where Thurston Jones pastors the LaGrange Baptist Church. What a blessing to be with Bro. Jones. He and his family are doing a great job there. I had previously preached there when Pastor Farnham was the pastor. Pastor Farnham is now in Evangelism.

Last month we also traveled to Mancelona, MI to fill the pulpit for Pastor David McCarthy while he and his wife, Sue went to Florida to help their daughter. After preaching on Sunday, they said we were welcome to use their guest house to stay over night after spending the day in Mackinac City. It was a beautiful day.

On September 13 - 17, we were at Faith Baptist Church in Angola, IN, where Denver DeKeyser is the Pastor. I was keynote speaker and preached four days. That was the test of my strength, and I passed the test. It was great to be with the dear folks there at Faith Baptist. I just received word that they reached their Faith Promise Goal for next year of \$71000. And have gone above it. I imagine it will increase a little more as the promises continue to come in. Glory to God for his blessings!

Thank you for your prayers,

Herb & Helen Hutchinson
