The VILLARREAL'S

DEAR FRIENDS AND PRAYER WARRIORS,

Romans 10:14 *How then shall they call on him in whom they have not believed? and how shall they believe in him of whom they have not heard? and how shall they hear without a preacher?*

Rey & Julie

This little 11yr old boy Daniel had been talking to his mother (Vanessa) about getting baptized. Sister Vanessa later brought it to our attention, so we began to pray for him. One Sunday morning after the service my wife Julie and sister Vanessa brought him down the hill to our home. They all sat in the kitchen then Julie began to take out her Gospel Flash Cards, she noticed how Daniel was very attentive and desirous to here the plan of salvation. That day he prayed on his own, and called upon the Lord to save him. We were all so joyous and glad to see another soul come into the Kingdom! Vanessa was in tears while seeing her son making the most important decision in his life. Please pray for this young boy to grow in his new found faith, and one day be baptized.

A Missionary couple in Zacatecas had to make an emergency leave to the U.S. His wife was scheduled to speak at a Ladies gathering. They called us and asked if Julie could take her place. We prayed and sought the Lord's guidance and God gave us peace to go forward with this decision. Julie took much time in praying and preparing for this event. Well, we arrived and soon all was ready for it to begin. Everything went well, and the ladies were blessed! Tears were shed during the testimony time, and the fellowship was sweet. All the ladies were helped, encouraged and strengthened. Julie was so thankful for what God had done.

Pastor Valadez, invited us to his Family Camp in Aguascalientes. It was fun, wild, friendly, and most importantly spiritual. Our folks loved it and our new members enjoyed it as well. Everybody from all ages had participated, there was laughter and joy in the air. After it was all over, the talk of the day was the camp. What was so impressing was that for weeks to come, the folks still shared what they had learned from God's Word. Praise the Lord for true dedicated Christians that are willing to sacrifice to make this happen. Christians can have a lot of fun and still be godly, we don't need the world and its filth. Amen!!!

Bro. Ignacio and his wife came down to visit us for a few days. They were a help and a blessing to us and our church folks. We all four came together and sang a special for the Sunday morning service. Bro. Ignacio preached for me and challenged our church from Psalms 2:2, sharing how the kings and rulers took counsel against the Lord and David. Bro Ignacio preached that those who live in sin and rebellion can also fall into this same trap. We are thankful for every person that comes down and pays us a visit. We do not get very many visitors, but when we do it is so encouraging.

The Lord worked in the hearts of this family (our neighbors) to come forward for baptism. We have been discipling them for several months and they had learned and realized the importance of it. When I brought this ordinance before them, I asked them if they were ready and willing to obey Christ's command? They all said yes, I then handed them a study sheet which explains in detail, what Biblical baptism entails. They took it home and filled in the blanks, answering the questions. The following week all the sheets were completed and signed, indicating that they understood and accepted the Biblical baptism of the Bible. I then had them share their salvation experience before the church, and afterwards we proceeded to baptize them. We also had a church celebration with cake, drinks, and fellowship. Soon I will be presenting them with a nice Baptism certificate. So you might say, what is the big deal? Please consider the area that we live in and the hardship that many will face for taking this step of faith. By their action of obedience they are turning their backs on Catholicism (a cult) and rejecting their infant baptism (which is a lie).

***Att:** We ask that you sincerely, fervently pray for our Revival Services coming up June 7,8,9.

We desperately need God to do a mighty work in all of our hearts.
