Missionaries in Costa Rica

Dear Pastor, church family, and praying friends, Nov-Dec '21-Jan-Feb'22

Thank you all for lifting us up in prayer before our great God during this time. We know that God is in control and He already knew what was going to transpire during these months. And it is such a blessing for us to rest in that knowledge. And we are humbly blessed to have so many wonderful supportive churches behind us. You don't know how much we appreciate every one of you and thank God for you. So many circumstances had to fall into place for us since November and God has faithfully met and answered so many of those needs that only He could have done it.

Ashley has gotten better since November, but it is looking like a long road to recovery. The doctors in the US and while we were in Costa Rica just want to use a strong antianxiety medication. That is not a path we will take. We have found out that many of Ashley's vitamin and mineral levels were horribly off balance; to the point of threatening some of her organs. After speaking to a different medical professional this week (second opinions, isn't America great?) we are looking to get her mineral levels balanced first and go from there. How God created the human body is truly "fearfully and wonderfully made". We are not sure of the time frame, but we appreciate your prayers for us as we seek the Lord's will and guidance moving forward.

The work in Costa Rica is going well. There have been more people being faithful to the services and some who had stopped coming have recently been coming again; very exciting. Do pray for two men and their families of the church: Roberto LaTouché, his step-dad died this week and Mario Granado, his dad died this week as well. It is a sad time as I couldn't be there for these two men, but my prayer for them and the church is to realize the brevity of life and for them to be winner of souls as a result. Pray for them to have courage and boldness to preach the Gospel.

I have added my new phone number at the bottom of our contact information. Please use our church address to send any letters. Thank you. I am accompanying this letter with one from our Pastor.

**Thank you for your prayers and financial support, we wouldn't be in Costa Rica without you.**

Because He is worthy,
