Dear Partners in the Ministry,

Greetings in the name of our Lord Jesus Christ.

Praying that you are all well upon receiving our report. By the grace of God we are all well. Though last month was trying times for us. All of us in the family got sick for 2 weeks. We do not know if its Covid 19 because all of us loss our sense of taste and smell. As I went to be tested, the clinic did not allow it because our payment was not successfully transmitted. Now me and my wife was vaccinated and some of the church members. Probably this October our church service will re-open, only 30% of the building capacity are allowed by the government. And we will resume all our home bible studies. We were in lockdown for too long and we are worried for some of the members spiritual condition. For 2 months we just gather on line do on line bible studies.

I do not have pictures to show, but we do have a video presentation of our ministry. Kindly open the link of the presentation, and praying that you will show it to the church for all to see. If there is any problem with the link, please let me know and I will see what I can do.
God bless you.
