Nakuru, Kenya

Dear Brothers and Sisters in Christ,

May has been an exciting month. Linette's family came for a ten-day visit, which was a wonderful refreshment to us. They met Tirzah for the first time (she's 14 months now), joined us in ministry, and listened as we shared our challenges and joys of missions work. We're thankful for their experienced insight into ministry.

Linette's father was able to help with fixing the church platform and updating the church's sound system. A few years ago, a power surge ruined many of the channels of the soundboard. Now the people will be able to hear the services better, especially when it rains. Many times we have to stop the service when it is raining because it is very hard to hear with a metal roof.

Jesse celebrated his 6th birthday. He enjoys his school lessons (especially math and science), loves dressing up in multiple hats and costumes, and collects boats made from banana leaves. What a joy he is!

This year we have several groups visiting. After Tirzah was born, our vehicle was no longer large enough to accommodate more than two visitors. We were able to trade our van and purchase a larger vehicle that will fit our family and guests. We are looking forward to using it in the Lord's service.

Much love,
Nathanael, Linette, Hadassah, Joseph, Jesse, Havalah, and
Tirzah Steinbart
