

Dear Praying Friends,

February 2024

Year round there are always camp projects that need to be accomplished, but now that most of winter is behind us, everything camp related starts to come to life. We have been presenting the camp in churches, planning this summer's improvements, and registering churches for the camp season. We look forward to our 19th summer serving the LORD in the camp ministry. God has been so good to us, and we are thankful for the fruit that remains from the thousands of decisions made at camp over the past eighteen years.

Please pray with us about the following requests:

1. The 25 summer staff needed to run the different departments of the camp.
2. Final approval for the cabin we will build by the lake.
3. The Holy Spirit to have liberty in the services.
4. Tender hearts ready to respond to the messages.
5. New flooring in the dining room. Five years ago when we built the dining hall, we had just enough money for a clear coat sealer on the concrete. We are in need of around \$40,000 to do an epoxy floor that can withstand the high traffic the floor is exposed to.

In addition to camp work, I have been teaching at Providence Baptist College each week and helping with renovation projects at our church. Currently, we are remodeling our entire 45,000 square foot church building.

Rebekah and I have been blessed with good health. This year we celebrate our 10th wedding anniversary. I am so thankful for the wonderful wife God has given me. She is such a great help to our ministry. God has blessed with many new converts as a result of our personal soulwinning. Will and Alicia were saved and baptized during our fall program and have been faithful ever since. It is a joy to watch them grow in the Lord and get involved. Andy is another convert who has grown much in the Lord. He has completed our 13 week newcomers' Sunday School class and gotten victory over his alcohol. Rebekah was able to lead Coleen to the LORD back in the fall. Over time as we followed up with her we were able to lead all four of her adult daughters to the LORD. Please be in prayer for their spiritual growth.

May 30th will be the first day of camp. Thousands of man hours worth of work need to be accomplished before that day comes. Although we seem to start the summer exhausted, God always gives us the strength needed to make it through. It is so rewarding to see altars full and lives changed. Thank you for your investment in Kyte River Revival Campgrounds.

In Christ,  
Bro. Todd Oprzedek  
*Camp Director*
