Dear Praying Friends,

January 2023

Happy New Year! We hope you all had a wonderful Christmas time celebrating the birth of our Savior, and are having a great New Year! We are excited to share with you what the Lord did through the ministry here and some exciting steps we will be taking this new year.

Discipling

One of my greatest desires in the ministry here is not only to see people saved but also that they grow in the Lord and desire to serve him. Andrés and Alejandra recently accepted the Lord as their Savior and are wanting to learn more about God's word and grow spiritually. My wife and I are looking forward to discipling them during the next several months. Please pray for their spiritual growth.

Missions

As the work here has grown, we have seen the people step out and have a greater desire to do their part in Missions. They took a huge step last year in increasing their giving to missions, have maintained that increase this year, and have given us the ability to support another missionary in Venezuela. I believe all churches, in other countries or in The States should be supporting missions!

Survey Trip!

Javier and Lilliana last year surrendered to do God's will for their lives, and have been faithfully overseeing a small mission work in a small village about an hour outside of Medellin. Through miraculous circumstances God has opened the door for us to potentially help them plant a church in the southern part of Colombia. My wife and I recently visited this small town where there is a great need for a church. Please pray for this new opportunity that God would continue leading and opening doors for us.

Thank you all again for your faithful support. We appreciate you all!
