

Beadles to Colombia

Dear Praying Friends,

April 2023

Hello to all! We pray that God is continuing to bless and help each of you as we strive to serve Him where we are. I hope you will take a moment to read about what God is doing here in Medellin, Colombia.

Not of Works...

I mentioned in our last prayer letter that we would begin discipling a young couple. Andres and Alejandra came to our house for the first meeting, and after two hours of conversation about salvation, they came to the realization that their profession of faith was based on their own works, and not in their faith in Christ. It was a wonderful moment when they bowed their heads and accepted Christ. We have continued to have weekly meetings with them, and they are encouraged and growing in the Lord. Please pray for them!

Missions Group

We recently had a busy but wonderful time with a College and Career group from Idaho. 20 young adults spent 10 days with us. During this time, we showed them a bit of the city, evangelized, and had the opportunity to go into 2 schools and preach the Gospel to hundreds of children and teens. God greatly used the efforts by this group. We have seen people coming to church and saved as a result of this trip. If you would like to visit us and bring a group, please let us know! It's a great way to open up the eyes of people to the need for the Gospel around the world.

Preparing to Go

As I mentioned in our last prayer letter, Javier and Lilliana will be sent out shortly to plant a church in Pitalito, Colombia. This town needs the Gospel and a good fundamental Baptist church that will be a light to the area. We are excited about how God has prepared this young family and will use them. We praise the Lord for the miracles God has done to make this church plant possible. Please pray for this new work that will be started shortly.

Thank you to each of you for your faithful support and prayer. We love you all!
