Prayer Partners and Supporters,

Thank you once again for your help and prayers for us and the ministry. To God be the Glory for His great provision!

What God is doing in Postville:

I remember asking for prayer for a man named Brian. He has begun attending quite regularly and the Lord is doing a great work in his life! He has been a great encouragement to us as well! **Please pray that Brian would continue in the things he has learned, and that the Lord would continue to prosper the relationship for His glory!**

We continue to seek new contacts, as well as disciple and nurture the relationships that the Lord has given us. Each week consists of several discipleship connections, and much prayer for God's working and helping. **We would ask for continued prayer for these individuals: Brian, Steve, Michelle, Brody, Blake, Preslee, Jaylen, Jordan, Chase, Tyson, Moises, Ben, Misty, Miguel, Abigail, Laine, A___, Jaimie, Carol, and Mya.** There are many others, but these are on our hearts especially. There is much work to be done. Please pray for strength, God's Power, and God's blessing.

Abby has continued teaching piano lessons, which has provided opportunity for further contact and discipleship.

Attendance is still quite small for services, but it has been encouraging to see the Lord building His church step by step. He does the work in His way and in His time.

What God is doing in New Hampton:

We have continued in discipleship with New Believers as much as possible. There are some who have not been quite as connected as others, but God is still working in their lives. We do need you to really pray for the work here. As is always the case, the devil has shown himself not interested in this great work of God continuing. God is greater, and has been showing us specific wisdom and answers to prayer as we seek to trust and obey. There is a strong pull from the Mennonite communities, which has been most certainly a work of God to bring folks out of the false teaching of those communities, but has interestingly enough also been a pull away from right doctrine (teaching) to some of our folks. We are currently focusing our attention on Christ's command to teach all the things that He has commanded us, as well as seeking to continue to reach new folks for Christ. We believe a good church is needed in this community, and ask that the Lord might bring it to fruition in His time. Please pray against satan's attacks on this work of God.

What God is doing in other areas;

These past weeks have been a difficult, but significant time. I had my seasonal bout with migraine headaches, some of which were extremely painful. Those of you who have had them, you understand why this is worthy of note. I am thankful for the brevity of the season this year, which seems to have ended. I am also grateful for the deep lessons the Lord taught me through the difficulty of them. I especially learned of His mercy this year. We deserve far worse than the worst that we go through. We all deserve hell for all eternity, and to think that Christ suffered the worst pain and rejection possible so that I would not have to. I am so thankful! Thank you to those who prayed specifically for me during this time. God has brought us through.

We have continued in seeking the Lord, and He has been so good to us! We have received three new supporting churches, as well as several significant one time gifts through the end of last year into the beginning of the new year. God has helped and provided! Thank you to you who are among those supporters!

The Lord has also been leading and maturing us as a family. Many things which the Lord has in store for those who wait and love Him are found as we truly trust Him.

May the Lord continue to bless us and cause His face to shine upon us. And we shall be saved! Let us be about His business in these last days, however many more they shall be!

Psalm 80:19 "Turn us again, O LORD God of hosts, cause thy face to shine; and we shall be saved."

Continuing in Christ,

The Landon Edminster Family
Landon, Abigail, David, and Mercyanne Truth
